"The unlikely search for a buried Spanish Galleon in the Yuma desert propels the action in Steven Law's Yuma Gold. The possibility of buried treasure brings forth plot twists, action, and a cast of characters you won't soon forget." ---Thomas Cobb, author of Crazy Heart and Shavetail

Ben Ruby is getting his first taste of freedom, stepping out of Yuma Territorial Prison after being locked up for eight long years. But he knows this feeling won't last---a wanted man is never free...

Eight years ago, Ben was hired by L. J. Gorum to drive a wagon to town, not realizing, until he was stopped by the law, that it contained stolen dynamite. Now that he's been released, a vengeful Gorum doesn't feel like letting Ben off that easy...

Gorum gets Ben in a trap that he can't get out of without paying the old employer ten thousand dollars. During his time behind bars, Ben befriended an old thief who told him a tale of buried treasure. With a treasure map in the form of trinkets, a compass, and old correspondence, Ben embarks on an odyssey that will take him into brutally dangerous territory, trying not only to outwit Gorum, but to outrun a breach in a Colorado River dam that threatens to flood the entire valley...

"Start reading at your own risk. You won't want to put it down. Memorable characters, a captivating setting, and exciting plot twists will keep you turning the pages."---
Cotton Smith, author of *Death Mask*

Steven Law grew up in rural Iowa and received his bachelor's degree from the University of Missouri-Kansas City. He has worked as a newspaper reporter, a photo-journalist, a literary publicist, and is founder of The ReadWest Foundation. A member of the Western Writers of America, Steven writes from his home in Springfield, Missouri. *Yuma Gold* is his fourth novel.
